

Using rubber bands, attach a book under each shoe and walk out.

Flip through every page of the book, and while you are doing that, read the entire book in the store. Leave the store with the book in your memory.

Put the book in your friend's bag when they are not looking.

Photograph every page of the book with a digital camera.

Buy the book, read it, return it for a refund.

Put the book on the floor near the store's entrance. When someone enters the store kick the book out the door.

Go out the emergency exit with the book.

Bring a fog machine into the store. Exit with the book in the haze.

Step in dog poop and drag your feet through the store. When people begin to notice the foul smell, make your exit with the book.

Set off explosives in the store to make a loud noise. Exit as they go off.

Steal the book one page at a time from different stores.

Tie the book to a dog and walk the dog out of the store.

Put the book inside a cake.

Yell "shoplifter!" and point to someone. When everyone looks, walk out with the book.

Steal the book while you are crying.

Copy the entire book by hand in the store.

With a group of people, have everyone hold the book as you all exit. Who stole the book if ten people are all touching it?

Steal the book while the sun is setting.

Steal the book while the sun rises over the horizon.

Give all the employees  
in the store LSD. When  
they are peaking, exit  
with the book.

Dress like an employee  
of the store and walk  
out with the book in  
your hands.
